

General Assembly

January Session, 2009

Proposed Bill No. 5701

LCO No. 1199

Referred to Committee on Education

Introduced by:

REP. SCHOFIELD, 16th Dist.

AN ACT CONCERNING THE STUDY OF CONNECTICUT HIGH SCHOOL AND COLLEGE STUDENT PERFORMANCE.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 That the Departments of Education and Higher Education jointly
2 establish, within available appropriations, a commission to conduct a
3 study using high school grades, grade point averages, SAT scores and
4 any other available data to compare Connecticut high school student
5 performance with that of high school students throughout the United
6 States. Such study shall seek to demonstrate that the disparity between
7 the grades of Connecticut students with those of other states' students
8 is not an adequate predictor of college performance. It is proposed that
9 the study be submitted to the General Assembly not later than January
10 1, 2010.

Statement of Purpose:

To study Connecticut high school and college student performance.
